## 2018

Hello Entertainment Managers!!

My name is Brooke and I'm the manager for ***Dean Crawford and the Dunn's River Band***, since I'm not sure if you've heard of us before, I'd like to take a minute and introduce you to the guys...

We are from the Baltimore area and we play Country and Southern Rock. We have a huge following of friends and fans, are known for sellout crowds and putting on one heck of a show! We've sold over 20,000 copies of our cd's locally and have been awarded ***THE BEST COUNTRY BAND IN THE STATE OF MARYLAND***, Dean also received ***SONGWRITER OF THE YEAR*** for Maryland.

Our band is the hardest working band, most requested band in the Mid-Atlantic Region; we have a great sound and everyone always walks away wanting to know when we're coming back so they are sure to be there! The band as it stands now have been together going on ten years with the majority of the band together with the same members for 14 years. As I'm sure you know to find that type of commitment in this day and age is unheard of and trust me when I say it shows in the quality of their music. They play kicking country music and then turn it around and play a traditional country song like you've never heard before as well as a couple southern rock tunes. They are most definitely a CROWD PLEASING BAND!

We have many venues that we play at, all over in Maryland, Pennsylvania, Virginia and West Virginia! Charles Town Races & Slots, Bally's Casino in Atlantic City, Hollywood Casinos @ Perryville, MD LIVE!, Horseshoe Casino, Hard Rock Cafe, Cancun Cantina, Cancun West, and Chesapeake Inn and the Lyric Opera House in Baltimore, and Moose Lodges in both Maryland and Pennsylvania. We've been at Nick's, Fast Eddie's in Virginia, Rainbow Road in West Virginia and there's not enough room for me to tell you how many shows we've played. You can verify our style, sound and crowd with anyone in Management at any venue we've played. We have sold out shows at Rams Head Tavern in Annapolis and Rams Head Live in Baltimore; we even played at the Governor's Inaugural Ball. We've played at the Maryland State Fair and blew them away by bringing in more people than the headliner in the stands did that night!! We were even chosen to open the new Cowboy Coast in Ocean City, MD and we packed that place too!!

In addition to our regular venues, we play many carnivals each year, along with many festivals and fairs! We play the Heritage Fair, the Reisterstown Festival, the Westminster Fall Festival, Sunday Concert Series, and we're the only band to come back to the Bonanza Extravaganza year after year because the crowd demands us back, Essex Day Festival, Watersedge Festival, The Western Maryland Music Festival, Aid Our Veterans, Special Olympics, Carroll County 4H Fair, Rolling Thunder on the National Mall in DC.....we've done it all! We have opened for Montgomery Gentry, Jamie O'Neill, Eddie Money, Molly Hatchett, Marty Stuart and George Jones! We've even had live TV performances on WJZ TV and Fox 45.

Again, we would love to come and play for you guys and are hoping that you will take a look at what we can do and consider us for any open opportunity that you may have! I'm telling you, you will not be disappointed in this band and everyone will love them!
